

## Instructions for using the forms for Course and Instructor Evaluation

**Each couple must be asked to complete and submit a Course and Instructor Evaluation.**

The Course and Instructor Evaluation Form is composed in a “protected” format that will allow the parents to fill in the shaded spaces, but the formatting will not change. This makes it much easier for Mickey to read.

- ⊗ All parents need to do is tab from section to section when filling in the information. To fill in a box with an X, just click on it with their mouse. If they check the wrong box, just click on it again to erase the checkmark.
- ⊗ Please ask them to use a different color font if possible, or bold their responses, as it makes it easier to read.
- ⊗ **Mickey prefers to receive the forms via email**, and it will save you the cost of postage and printing. However, if you or your parents cannot do so, please print and mail the forms in the conventional way. Mickey’s addresses are at the bottom of the form. If you do that, you should provide the class participants with a stamped envelope addressed to Mickey.
- ⊗ Parents should not be asked to give you a copy of the Evaluation Form.
